## Los Osos Pet Hospital Pre-Anesthetic Consent Form <u>Please read carefully and sign.</u>

Client Name		Pet Name	Age or D.O.B.	Date
strongly recommend recommend are simi important to underst	I that a pre-anesthet lar to and equally a and that a pre-anest	hat a physical exam alone will not ic blood profile (a combination of s important as those your own phys hetic blood profile does not guaran as identify medical conditions that	blood tests) be performed prior ician would run if you were to tee the absence of complication	to anesthesia. The tests we undergo anesthesia. It is is. It may, however, greatly
PLEASE INDICATE	YOUR CHOICE BE	LOW BY INITIALING THE APPRO	PRIATE BOX:	
Pre-Anestl	netic Profile #1	*Recommended for pets <i>Less</i> that	n six (6) years old.*	Cost: \$64.50
	LT (Liver) CV (Anemia)	BUN (Kidneys) Total Protein (Hydra	Glucose (Blood Sugar)	
Al Al CI		*Recommended for pets <i>Over</i> six  BUN (Kidneys)  Creatinine (Kidneys)  Count (Anemia, Infection, Blood Potassium, Chloride)	Glucose (Blood Sugar) Total Protein (Hydration)	Cost: \$91.00
Pre-Anestl	netic Profile #3	*Recommended for pets Ten (10	) years of age or older.*	Cost: \$119.00
Al	cludes all of the about bumin (Protein) otal Bilirubin (Liver	Phosphorus (Kidneys)	Calcium (Tumors) Cholesterol	
understand	that a medical cond	e-anesthetic blood profile at this time lition may exist which would be imediate a condition	possible to identify during a phy	ysical examination alone. I
these services, pleas	e feel free to ask an  ide IV catheter & f	ravenous access in case of an emer y one of our staff to provide you w luid support.  = \$105.10)		
		Supplemental Pain Contro	 ]	
that we will send ho	me additional pain or edure. If at any tim	active as possible with our surgical control with each and every patient e you need an estimate for the costs	patient's comfort. We want ea that your pet's doctor feels may	y need it in the days
		Microchip Your Pet		
10	Microchip implantation in your pet is a safe and effective way of permanent pet identification. Have peace of mind knowing that your pet's personal identification is always with them and in place to help thousands of veterinarians, animal shelters, and animal control agencies find you in the event you pet is lost.
